August 18, 2011

The Officers and Directors of the Bucks County Estate Planning Council cordially invite you to join us for a new season of Council activities beginning in September.

The Bucks County Estate Planning Council's mission is to advance the knowledge of local estate planning professionals and develop collegiality among estate planning professionals. We hold monthly meetings which feature a networking hour, dinner and a presentation on estate planning matters. We offer continuing education credits to attorneys and accountants for a very reasonable fee. We currently have over 200 members who are professionals with many years of experience and practice, including accountants, attorneys, financial planners and advisors, trust officers, insurance professionals, valuation professionals and geriatric specialists.

To become a member, you can fill out the enclosed membership form and return in with the appropriate payment to the address above or our membership form and additional information about BCEPC can be obtained on our website, [www.buckscountyepec.org](http://www.buckscountyepec.org).

Enclosed you will find the 2011 – 2012 dinner/meeting schedule which includes topics and speakers for each meeting. This can also be found on our website. This should be another great year!

Enjoy the rest of your summer and we hope to see you in September.

Very truly yours,

John F. Maloney, CPA, CFF, CVA  
President
